

**A borderless European digital health ecosystem**

# **Agile Piloting – Information Session**

11 December, 2025

This project has received funding from the European Union's Horizon Europe research and innovation programme under Grant Agreement No 101161108

# Agenda

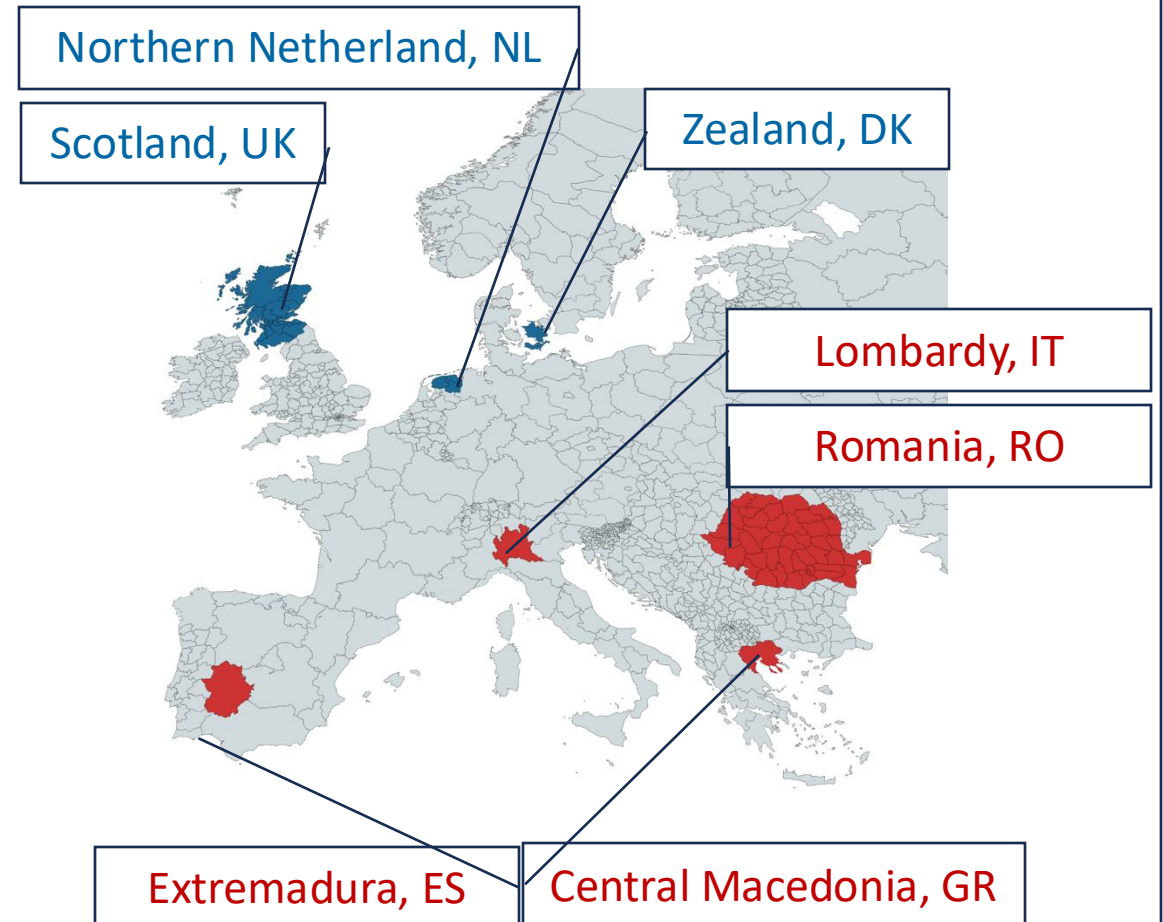

Co-funded by  
the European Union

- **11:00 – 11:05** Introduction to project UNITE
- **11:05 – 11:20** Overview of Agile Piloting
- **11:20 – 11:40** Application guidance
- **11:40 – 12:00** Questions and answer

UNITE is a major €20 million pan-European programme under the European Commission's Regional Innovation Valleys initiative, which builds a borderless European digital health innovation ecosystem and drives healthcare transformation through digital deep-tech solutions, addressing challenges posed by demographic transitions and ageing populations.

- Innovation Leader or Strong Innovator
- Moderate or Emerging Innovator

Total number of projects

36+

Home v abroad testing

50%+

Budget

€3.000–  
€12.500

Agile Piloting programme that supports **short-term, real-world experiments**. The programme enables startups, scaleups, and other research and innovation organisations in the UNITE regions to validate their digital health solutions aligned with the UNITE Innovation Challenges in regional experimental facilities.

## AGILE PILOTING

### INSTRUCTIONS

Agile Piloting is a structured approach to testing and validating innovative solutions in real-world environments for short-term piloting at their initial stage with a small pilot budget from €3.000 to €12.500.

#### Application Guidelines & Handbook

Please download the detailed [Application Guideline](#).

Please download the [Agile Piloting Handbook](#), with further details on what Agile Piloting refers to in general.

#### General dates

*\*Please note that certain regional differences exist, consult the table below.*

- Application opens: 3 December
- Information session: 11 December ([Register here](#))
- Application closes: 24 December
- Agile piloting phase: 7 January 2026 - 31 March 2026 (with some pilots extending until early summer, please consult with your specific regional requirements and contacts)

#### Important regional differences

Participation in the Agile Piloting initiative is dependent on regional requirements, where application can either take place on [UNITE Cloud](#) or on a regional platform, please consult the table below. Please consult the below table to see your pathway of application:

UNITE AGILE PILOTING - SUBMISSION SYSTEM

# Application procedure
